The following paper is submitted by the Clerk to the Parish Council at its meeting of 1<sup>st</sup> May 2024 – Clarification of the breakdown of funds submitted to the Cavendish Hall in consideration of the CIL bid considered in January 2024.

## **Agenda Item 12g - To consider the CIL bid submitted by the Cavendish Hall Management Committee for Chairs following receipt of further information.**

### **Background:**

Council deferred a CIL bid submitted in December 2023 in the sum of £3,383 until clarification was given with regards to the details of additional sources of funding available.

The form sated the following sums had been promised:

W.I. £250

Locality Budget £2,500 (both District and County).

It was noted that these were the same sums outlined in another bid submitted by the Cavendish Hall Management Committee and council sought to understand the position in relation to the additional funds offered.

A request for clarification was submitted to the Committee and the following was ascertained:

“£3000.00 in total was allocated by (*District Councillors*) David Bradbury on his own and Austin Davis’ behalf towards both the flooring and chairs. (*County Councillor*) Penny Otton has also offered £2000.00 towards both the flooring and chairs. This gives us £2500.00 for each project. In addition we have £500.00 from the WI, giving a further £250.00 for each project. This is why the figures are the same on both applications”.

**Action for Council: to reconsider the CIL bid in the sum of £3,383 as submitted by the Cavendish Hall Management Committee for the purchase of 60 new hall chairs.**
