Paper for submission to Full Council meeting of 3rd July 2024

Agenda Item 10g - Wildlife Garden - To consider the provision of seating.

As part of the enhancement of the Wildlife Garden, it was agreed that one of the aims is to provide a haven for wildlife and a peaceful sensory place for visitors, a quiet space for contemplation to pass through or stay a while. To this end and following discussion around various types of outdoor public seating it has been suggested that the Wildlife Garden would benefit from single seats in recycled material.

There is a balance of balance of £457 available from the £2000 CIL bid. A further CIL bid would be needed for expenditure above this.

The council has used Realise Futures before, and they have priced for a bespoke chair the same as their duo one but without the table and second chair.

<u>DESCRIPTION</u>	<u>QTY</u>	<u>PRICE EACH</u>	<u>PRICE TOTAL</u>
WFD276 Duo Garden Chair			
Chair only	1		£250
With 5% discount on this product			£237.50
Soft/ hard ground fixings	1		£15.00

Recommendation

That Council approve the recommendation from the LEC committee for the provision of a single seat within the wildlife area on New Green in the sum of £352.50 to include installation and that funding for the proposal be from the balance of the CIL bid previously approved by Council – balance being £457.
