Dear Ms. Gladwell,

RE: CONDITION SURVEY OF TREES AT THURSTON RECREATION GROUND, CHURCH ROAD, THURSTON, IP31 3RU

It is with pleasure that we can submit the following quotation:

- Attend site and undertake a ground-based visual assessment of the trees standing adjacent to Church Road and on the recreation ground (a reinspection of the trees previously surveyed in March 2021).
- Following the survey, prepare a report detailing the condition of the trees inspected, recommendations for remedial works where required, directions as to the priority of these works and directions as to when the trees should be re-inspected.

Price	£893.75
V.A.T @ 20%	£178.75
Total	£1,072.50

This quotation is valid for three months from the date given above. Please note our payment terms are twenty-eight days from the date of invoice.

Should you find our quotation acceptable please would you confirm acceptance of this in writing. *In doing so you are confirming that you accept our terms and conditions* as attached. Please note that if an order number is required to enable payment of our invoice, then this order must be sent to us **before** work commences. A delay in commencement of the works may occur if we do not receive the order.

Please find enclosed a copy of our terms and conditions. Professional Indemnity Insurance, Public, Products & Employers Liability Insurance, which confirms insurance liability cover of £20 million.

Assuring you of our best attention at all times.

Yours sincerely,

D Franklin
