

THURSTON PARISH COUNCIL

MINUTES of the COUNCIL MEETING held on Wednesday 6th July 2022 commencing at 7.00pm in Thurston Community Library, Norton Road, Thurston.

Present: Cllr. Dashper (Chair), Cllrs. Balaam, Bond, Cornell, Grant, Haley, Hay, Morris, Priscott and Rainbow.

Also in attendance: County Cllr. Otton; Mrs Waples, Parish Clerk; Mrs King, Deputy Clerk and eleven members of the public.

1. **OPENING** – the Chair opened the meeting advising all that the Protocol adopted by the Parish Council for reporting at Parish Council Meetings, would be enacted for this meeting. A copy of the Protocol is available from the Clerk or can be downloaded from the website: <https://thurstonparishcouncil.uk/parish-council/policies-procedures-and-strategy/>.
2. **APOLOGIES** –
 - a) Apologies for absence were received from Cllr. West for personal reasons.
 - b) **Council agreed to approve the apologies submitted, aif.**
 - c) Apologies were also noted from District Cllrs. Austin and Richardson and PCSO Swain.
3. **DECLARATIONS OF INTERESTS FROM COUNCILLORS INCLUDING GIFTS OF HOSPITALITY EXCEEDING £50** –
 - a) To receive declarations of disclosable pecuniary interests and other registerable interests as detailed in Appendix B of the LGA Model Code of Conduct – there were no interests submitted.
 - b) To receive notification of gifts of hospitality exceeding £50 – there were none submitted.
 - c) To note the determination of requests for dispensations in accordance with Council's Dispensation Policy – there were none to be reported.
4. **TO NOTE THE MINUTES OF THE FOLLOWING MEETINGS:** (*all as previously circulated*):
 - a) To approve the following minutes: Full Council Meeting of 1st June 2022 – **approval of the minutes as previously circulated was given along with consent for the Chair to sign the minutes as a true and accurate record of the proceedings that took place, aif.**
 - b) Council to note Draft and Approved minutes of the following committees are available to view online at <https://thurstonparishcouncil.uk/parish-council/agendas-and-minutes/>: for the following Committees: Emergency Planning Committee; Recreational and Leisure Facilities Committee; Planning Committee; Climate Awareness and Environment Committee and Policy & Resources Committee.
5. **REPORTS FOR INFORMATION** – the following reports were submitted: all of which can be viewed under Appendix C and D – (separate file).
 - Report from County Councillor Penny Otton – the written report was taken as read and the following points were brought to the meeting's attention:
 - Motion to declare cost of living emergency – hoping for support by fellow Councillors, but a substantial number have Covid, and support is of a concern.
 - CIL funds – request from Cabinet Member for an update on discussions with regards to CIL.
 - Report from District Cllr. Davies - the written report was taken as read. There were no comments for onward submission.
 - Report from District Cllr. Richardson – the written report as submitted was taken as read. There were no comments for onward submission, but the Clerk was asked to request further details from both District Cllrs. on the possibility of the requirement for photo I.D. for all elections in 2023.
6. **PUBLIC FORUM** –
 - a) to receive a presentation from the Ben Wragge Skate Park Charity and Thurston Football Club on future recreational and leisure facilities in Thurston – presentation given by a representative from the Ben Wragge Skate Park - steer on opportunity and detail; land is outside of Thurston Parish Boundaries and in Great Barton. Planning authority will therefore be West Suffolk District Council. Funding will be available from the Football Association. Intention is for the Skatepark Charity to broaden their terms of remit and

So approved and signed at the meeting of 3rd August 2022

to allow it to manage further recreational facilities. Timeline – first hurdle is planning permission. Wider funding streams will need to be explored. Community engagement in a meaningful manner will need to be undertaken prior to planning permission. Overall costs could be in the region of £3million.

The Chair thanked all for the introduction and following a brief discussion, the Parish Council agreed it was supportive of the motion to commence the process of working with the group to bring forward additional recreational facilities for the village. It was noted that the next steps would be the public consultation; the funding formula; setting up a joint committee to discuss the details of recreational facilities that were needed by the village and initial discussions with regards to planning application for the land. However support had not yet been ascertained from the parish council in which the land was located as it was outside of the boundary of Thurston and Mid Suffolk.

Agreement was forthcoming for the following actions on the part of the Parish Council:

Clerk to ask Great Barton Parish Council if they would be prepared to discuss this matter and be supportive of the proposal. Clerk to discuss with District Councillors as to the possibility of Thurston boundary being extended into Great Barton and West Suffolk District Council to encompass this land, acknowledging that this would require a Community Governance Review.

- b) to receive matters of concern issues from members of the public in attendance on the agenda submitted – there were none received.
- c) to receive comments relating to Thurston in general – Thurston Station – managed to have a look around and to identify the fundamental issues. Two approaches were now being explored: one was to clear the mess in the building left behind by last tenant; and one was in connection with funding to approve the façade which, it was hoped, would bring new users forward to occupy the building. Further updates would be available once more detailed information was forthcoming.

7. POLICE MATTERS

- a) To receive a report from PCSO Swain on crimes relating to Thurston – a copy of the report from the Clerk was provided to all containing a summary of the crimes investigated and work undertaken by PCSO Swain for June 2022.
- b) To consider matters for referral to Stowmarket SNT – there were no matters for referral.

8. STATUTORY BUSINESS –

- a) BMSDC – response from the District Councils to the East Anglia Green non-statutory consultation – Council to review the response and consider whether it should raise concerns about the project to National Grid – it was noted that whilst this did impact the parish but as a contiguous parish in the area, all agreed that the council should take the opportunity of commenting further. It was agreed that the Council was not happy to see the countryside in Suffolk decimated by the huge pylons and the impact that this will have on rural areas. There was a need to think wider than the community of Thurston and the more public pressure that could be brought to bear in ensuring that the rural aspect of Suffolk is not impacted due to financial costs would be to the benefit of the wider community. Council was in agreement that it was minded to submit a comment and to recommend that the work be either underground or seaborne.
- b) BMSDC - Corporate Peer Challenge – <https://www.midsuffolk.gov.uk/assets/The-Council/Performance/Babergh-Mid-Suffolk-Corporate-Peer-Challenge-report.pdf> to receive the Local Government Association’s findings on the Corporate Peer Challenge Review undertaken in March 2022 – Council noted the findings and would await the implementation of the findings and its recommendations.
- c) BMSDC Parking Strategy – to note the availability of the online survey to comment on the Draft Parking Strategy - <https://www.smartsurvey.co.uk/s/BMSDCPARKING/> - Councillors were invited to submit their response as individuals who may be affected by the proposals by the due date.
- d) To review and adopt the amendments to the Terms of Reference for the Climate Awareness and Environment Committee (paper entitled ToFR – Climate Awareness and Environment Committee) – the amended terms of reference were approved and adopted accordingly, aif.

9. PLANNING MATTERS COMING FORTH:

- a) C/21/02655 – To receive an update on the Recycling Centre Project, New Green Centre – it was confirmed that the groundworks had been conducted with minor works required prior to and after the fencing had been installed. The fencing was due to be erected week commencing 18th July 2022 and should be finalised within the week. Once the work had been completed, the Clerk and Deputy Clerk would liaise with MSDC

So approved and signed at the meeting of 3rd August 2022

as to the bins to be installed. It was confirmed that the user agreement had still to be signed by the New Green Trust.

- b) SCC/0037/22MS – To receive details of communications with regards to the funding of the proposal for a new single storey standalone block at Thurston Community College – all noted that the Clerk had corresponded with both District Cllrs. and County Cllr. Otton stating that the Parish Council wished to press the District Council for a response / action with regards to funding from other area CIL pots as well as ensuring that cross district talks are had with West Suffolk as pupils for the TCC do come from outside of the MSDC area and to ensure that this expansion was not fully funded from funds earmarked for Thurston as has previously been suggested. Cllr. Richardson had responded that he thought that this would be both sensible and proportionate and would ascertain MSDC's position about this.
- c) EN/21/00714 – land on the north side of Norton Road – to receive and note correspondence received from the LPA with regards to ditch inspection – the meeting was informed that MSDC had recently received confirmation of the developer's ditch inspection for this site, the outcome of which was that no maintenance works are required for the ditch.

10. TO CONSIDER MATTERS RELATING TO NETWORK RAIL:

- a) to receive an update from the Clerk on the feasibility study relating to the Thurston Station Level Crossing to be conducted by Network Rail – the Clerk updated the meeting by informing them that she had been included in email correspondence between a Senior Public Affairs Manager, Network Jo Churchill, SCC and MSDC over Thurston Station improvements and had heard today that a meeting was to be organised for later that month. In essence the email trail had confirmed that in December 2019, the crossing was assessed to pose a 'High' individual and collective risk to people and that the potential numbers using the station and the level crossing from the approved growth would raise the risk of the level crossing to an unacceptable level. They still believe that the only way of reducing level crossing risk is to close crossings wherever possible. They are currently exploring a range of options to identify the best solution to close the crossing. An initial study has been conducted as part of our Ely Area Capacity Enhancement (EACE) project. The study presented a few options which they would like to consider in further detail, such as a bridge over the railway line or using the existing road underpass and building a new ramp to the Cambridge-bound platform. It was also confirmed that the Sponsorship team has written to Babergh and Mid Suffolk Councils to request an extension to the CIL funding which will allow them to identify the best way forward and progress to a single preferred option.
- b) to receive an update on the Community Action for Thurston (CATS) campaign to improve the appearance and use of the Thurston Station Building – the meeting was updated with a brief report received from an Architect and Historic Buildings Consultant who had attended the site meeting with representatives from CATS and Greater Anglia and overall they were pleasantly surprised by the relatively good condition of the building but that is not to say that it does not have some issues that require fairly urgent attentions. It was noted that this was not a formal building inspection report but simply their observations following the brief visit to the building arranged by Greater Anglia. They did not access all rooms in the building and did not inspect woodwork or other parts of the structure which were covered, unexposed or inaccessible and were unable to report that any such part of the property was free from defects. It was also confirmed that the Assets Dept. at Great Anglia were looking into right of access to front of building; had investigated selling the building and were yet to identify any Station Adopters. At this stage discussions were still ongoing as to funding sources for all or part of this renovation dependent upon works that required immediate attention and those that would ensure that the fabric of the building was maintained in a suitable condition. The Clerk reported that District Cllr. Richardson had also informed her that he was hoping to have a meeting with the Communities and Planning Teams at MSDC next week to discuss the railway station and he had agreed to keep the Parish Council and the CATS updated as to how things progress.

11. FINANCE:

- a) To approve the accounts awaiting payment including those coming forth (*Paper 1- 06.07.22*) - the items awaiting payment were verified and explanations given where appropriate. **The meeting approved those as submitted under Paper 1 for payment as seen at Appendix B, aif.**

So approved and signed at the meeting of 3rd August 2022

- b) To note the accounts paid since the last meeting (*Paper 2 – 06.07.22*) - **the meeting retrospectively approved those payments that had been made away from the meeting as detailed under Paper 2 as seen at Appendix B, aif.**
- c) To note receipts allocated since the last meeting (*Paper 3 – 06.07.22*) - Council noted the receipt of monies received as identified at Appendix B.
- d) To consider and receive the Bank Reconciliation for the period ending 30.06.2022 (*Paper 4 – 06.07.22*) - Council noted the overall bank balances of £363,166.49 across both accounts held in the name of the Parish Council. It was confirmed that the audit log to the end of June was still to be verified and signed off by Cllr. Rainbow.
- e) To receive an update on the monies held under the CIL Reserve and monies expended to date on projects identified in the Parish Infrastructure and Investment Plan or coming forth as a bid against the CIL Reserve (*Paper 5 – 06.07.22*) - Council received the up-to-date position from known expenditure and noted that once all committed funds were realised there would be a potential available balance of £263,752 which would fall to £198,752 if the estimated costs for the upgrade of the shared use crossing on Sandpit Lane were factored in.
- f) To receive and consider the verified applications submitted under CIL Bid Round 3 at the meeting of 6th July 2022 (*Paper 7 – 06.07.22*) - the meeting noted that Bid No 4 Mobile Skate Park Event had been withdrawn due to issues over availability. **Council considered Bid 1 and agreed to offer £5,000 towards the Audio/Visual System at the Cavendish Hal, aif; Council considered Bid 2 and agreed to offer £1,635 towards the purchase and installation of heavy-duty goal posts and sockets to be located on the New Green Open Space.** Bid 3 was considered and was noted as a project under development. **All were in agreement that the Council were minded to approve the sum of £5,000 to show support for the additional facilities being drawn up for subject to a full application coming in and a supportive District CIL bid, aif.**
- g) To note that the Clerk has renewed the contract for office phones and broadband with Plusnet for a 24-month agreement at a cost of £29.10 per month.

12. TO CONSIDER MATTERS RELATING TO THE COMMUNITY OF THURSTON:

- a) To receive any matters relating to the partnership working with the PCC in the production of the Thurston Community Newsletter –the processes and procedures were working well and there were no issues raised.
- b) To receive an update on the Ixworth Road cycle path and ongoing issues with kerbing and planting – the Clerk confirmed that she was still waiting an update on this matter.
- c) To receive and consider nominations for the Suffolk Community Awards for 2022 – closing date 17.07.22 – the meeting agreed that it would nominate a number of persons/clubs for a Community Award, and all were asked to ensure that they advised the Clerk for the reasoning behind the nominations to allow the forms to be completed prior to the closing date of 17.07.22.
- d) Suffolk County Council – Highways Investment Fund - to consider areas deemed to be high-risk that would benefit from footway skirting and vegetation clearance – **all agreed the following areas should be raised as suitable for extra works: Pokeriage Corner and Fishwick Corner; Sandpit Lane and Norton Road junction; verge from crossroads Pakenham Road/ Norton Road along Church Road to Footpath 16; Church Road at The Planche End, aif.**
- e) To receive an update on the site assessment for recreational use of land adjacent to the Railway Bridge – (paper entitled Recreation Site 12 – Heath Road) – **all agreed that the risk assessment should be amended to read strongly negative for the reasons given following the pre-application advice given by West Suffolk District Council Planning, aif.**
- f) To receive an update on a request submitted for improved lineage and separation of cyclists and pedestrians across New Green Footpath – it was noted that following the meeting with the Community Highways Engineer late in June, the Clerk had formally asked SCC Highways if they would be able to initiate the request for lineage to be reinstated across New Green designating the separation of cyclists and pedestrians. It was felt that the project included within MSDC Local Cycling and Walking Infrastructure Plan (LCWIP) which had costed a shared walking and cycling route including the creation of a physical boundaries and paint the path to allocate space had been costed at £96thousand for a fully segregated foot/cycle way. The Clerk had argued that a fully segregated foot/cycle way was not required, merely the lines and pictures (walker and cyclist) reinstated as they used to be visible to designate space. Following further discussions,

So approved and signed at the meeting of 3rd August 2022

this had been agreed as being most appropriate and County Cllr. Otton had agreed that she was intending to fund the recovering of the path/road markings using her Local Highways Budget.

- g) To receive and consider the paper submitted by Cllr. Bond with regards to Youth Work Provision in Thurston (paper entitled Young People in Thurston) – it was discussed that such a project needed to be self-managing working to a programme and Council needed to be aware of sustainability issues and future provisioning. **All agreed that as a concept this should be supported and an invitation be extended to Pushforward (as identified in the paper as a possible provider) to attend a meeting to discuss this further, aif.** Cllr. Bond agreed to liaise with MSDC's Community Liaison Officer and Community Action Suffolk as to whether further funding streams were available and how such work could link into volunteering opportunities in the District.

13. COUNCILLOR REPORTS:

- a) To report village matters of concern to the Clerk: the following matters would be actioned by the Clerk and Deputy Clerk under delegated powers:
- Trees along Norton Road outside of TCC
 - No 9 Barleyfields – hedge encroachment
 - Road name signs – all of the street signs to be reviewed for possibly upgrading – *agreement was forthcoming for this to be brought back as an agenda item at a later meeting.*
 - Sandpit Lane – footpath from Denbury Lane onto Sandpit Lane – no official crossing point.
 - Subsidence on Station Hill.

14. CLERK'S REPORT – to receive and consider information from the Clerk and Deputy Clerk and in particular:

- a) to receive the reports of items actioned under delegated powers – it was reported that Officers had dealt with/were dealing with issues relating to concerns/complaints over hedgerow encroachment; liaising with SCC Officers over issues relating to the footpath outside of TCC; issues over permitted development rights for roof extensions.
- b) To receive an update on the meeting with SCC Highways Community Liaison Engineer with regards to parking issues on Norton Road outside of the Community College – **all agreed that there was a need to create a rule in the right place to allow traffic to flow freely and that the council should be minded to explore the proposed new markings which would extend the no waiting/parking school markings and install double lines to include a short run on both sides of the junction of Norton Road/Pakenham Road, aif.** The Clerk was asked to ascertain indicative costings for a CIL bid from the Neighbourhood CIL pot.
- c) To receive an update on footpath / cycleway and kerbing issues along Ixworth Road – previously covered.
- d) To receive an update on correspondence relating to Parking in Cloverfields – it had been confirmed that following interventions, neither the minibus or similar vehicles owned by non-resident had been parking on Cloverfields for a while. However, due to the oil residue that had been left along the road and noting that it would be difficult to attribute this to one vehicle, the Clerk had asked and been given reassurance that MSDC Open Space Department had asked their operatives to attend Thurston clean and sweep the roads, especially IP31 3TJ. It was stated that the village was swept by such vehicles twice a year.
- e) To note the Clerk has responded to a Rural Services Survey as issued by Community Action Suffolk – Council noted that in the main this had related to the recording of services in / lacking in the village.
- f) To note that the Clerk has responded to the BMSDC Shared Prosperity Fund Engagement Survey on proposals to support the levelling up agenda.
- g) To note that the Clerk has responded to a research project questionnaire "Effectiveness and Value of Internal Audit to smaller authorities" – it was noted that the response had in the main focused on the effectiveness and value of internal audit.
- h) To receive items of correspondence for noting only.

15. TO CONFIRM THE DATE OF FUTURE MEETINGS: all to take place in Thurston Community Library unless the agenda specifies otherwise –

- a) Recreational & Leisure Facilities Committee Meeting – 20th July 2022 commencing at 6.00pm
- b) Planning Committee Meeting – 20th July 2022 – commencing at 7.00pm
- c) Parish Council Meeting 3rd August 2022 commencing at 7.00pm

So approved and signed at the meeting of 3rd August 2022

16. **To resolve that under the Public Bodies (Admission to Meetings) Act 1960, the public be excluded from the meeting due to the confidential nature of the business to be discussed – it was resolved that members of the public be excluded from the meeting to progress confidential matters, aif.**
- a) CA-2022-000435 – The Queen on the application of Thurston Parish Council v Mid Suffolk District Council & Ors - to receive communication on this matter from Council's Legal Advisers – no dates had been given for the case but an application to cap costs had been agreed by both sides.
 - b) To consider the quotations for works to the War Memorial on Church Road, Thurston and to note the proposed funding source for this work – having considered the three quotations received for works to the War Memorial, **it was agreed to proceed with the quotation received from Hermitage Memorials in the sum of £1,895 based on the evidence of work submitted with the quotation, aif.** Council was also made aware that both District Councillors had agreed to fund 73% of the project which would leave the Parish Council having to fund the balance of £515.
 - c) To consider the confidential paper submitted for proposed residential development of land within Thurston (circulated as a confidential paper) – Council was in agreement that further advice should be taken on this matter.
17. **CLOSURE OF THE MEETING** – there being no other business the meeting was closed at 9.55pm

Appendix A - Glossary of Common Abbreviations used

Aif	All in favour
AGAR	Annual Governance and Accountability Return
