8. Clerks report –

- a) Update on the position for Tree Warden – Following the advert in the newsletter one person came forward. Once confirmation is received of the willingness to take on the role the appointment will be referred to full council for approval.
- b) Inclusive play equipment – Contractors confirmed on site 16th May to install the roundabout and two replacement swing seats.
- c) The new bench at Woodside Close has been installed and the plaque transferred to the new bench.
- d) Bringing Back Nature – Biodiversity for parishes – The deputy clerk and two councilors confirmed attendance on this webinar. The video and slides have been circulated for others to watch together with the deputy clerks notes from the session.
- e) Footpath Leaflets – These have now been received and are available for circulation.

9. Wildlife Garden Project –

- a) To receive an update on the work schedule – it was confirmed that the tree work had been

completed, the Silver Birch planted, two bird boxes erected, and the bug hotel had been upgraded and refilled. It was noted that the balance of funds remaining was £637.00 + £400 Pride in your Place grant for the lectern.

- b) To consider the purchase of individual bee houses – it was agreed to make a recommendation to full council that two bee houses be purchased, one of each design from RSPB at a total cost of £50.00 with all in favour. It was suggested that a solitary bee refuge could be created in the bank of the depression, further information on the process for this would be sought.
- c) To consider the provision of a lectern and gate signage – consideration of designs for the lectern was deferred until any additional planting had been established. It was confirmed that TCC could not help with a student to design and make the gate signs. It was agreed to make a recommendation to full council to purchase two treated wooden signs as per the mockup design at a cost of £130, with aif.
- d) To consider the provision of seating – It was agreed that recycled single seat benches would be preferable in the garden. Costs and designs would be sought for consideration at the next meeting and a site visit would be arranged to consider placement and numbers. It was noted that funding would be needed to cover the cost of seating and a further CIL bid was suggested.

10. To consider a recommendation to Full Council to conduct a tree survey at The Recreation Ground. – It was noted that some branches had fallen from the Chestnut trees at the Recreation Ground, and one had dead branches in the canopy. It was noted that the last Urban Forestry tree survey was conducted in March 2021 with a reinspection recommended in summer 2023. Following support of the reinspection time recommendation by David Pizzey, Tree Officer at BMSDC it was agreed that a recommendation be put to Full Council to conduct a tree survey at The Recreation Ground, by majority decision. It was suggested that the Oak Trees at the new churchyard might be included in the inspection.

11. Biodiversity Policy & Action Plan –

- a) To consider conducting a biodiversity audit of council landholdings, other parish areas and to review any biodiversity plans already in place in the parish – Consideration was given to the costings of various professional audits. It was agreed that a recommendation be put to Full Council to engage SWT to conduct the audit, aif.
- b) To review the Biodiversity Action Plan and consider any actions/strategies needed to ensure compliance with the council’s duty to maintain, improve and enhance biodiversity – It was noted that further consideration of the action plan would be taken following the completion of the audit. It was suggested that a working group be set up to take forward further consideration of Biodiversity enhancement, information on the remit of any such group will be sought. It was noted that the next biodiversity walk is arranged for Sunday 26th May.

12. To review 0 – 3 year goals – Further consideration of the 0 – 3 year goals was deferred. It was suggested that all completed goals be annexed to the plan and that items be prioritized by date.

13. Date of next meeting – 19th June 2024 commencing at tbc in the Thurston Community Library.

14. Close of meeting – there being no further business to transact the Chair closed the meeting at 9.10pm.
