#### 6. PLANNING APLICATIONS TO BE CONSIDERED BY THE DISTRICT COUNCIL:

- a) DC/22/03655 Householder Application Erection of three bay cart lodge inside garden relocating the existing garden shed @ Whitefriars, Thedwastre Road it was queried as to whether a shed was currently in place and the need for the cart lodge with three integral garages. Concerns were raised over the impact that this would have given it will be in a prominent position on the site and whether this would appear intrusive and not in conformity with the street scene. Area is open space, and the side garden makes a significant contribution to the wider street scene. Could lead to a loss of an important green space gap which adds to the appearance of this area. Of an equal concern was the impact that this would have in terms of highway safety at the junction of Thedwastre Road and Beyton Road. All were in agreement that the application should be recommended for refusal on these grounds, aif.
- b) DC/22/03649 Householder Application Erection of single storey rear extension ( amended scheme to approved application DC/19/04914 ). Construction of a rear dormer extension following removal of existing dormer). Removal of existing hipped roof to side elevation and first floor extension to create a gable end instead of a hipped roof @ 3 Heather Close noted that the previous application had no significant impact on neighbouring properties and overall the revised plans were deemed to be acceptable. All agreed that the proposal be supported, aif.

So approved and signed by the Chair at the meeting of 12.10.2022

- c) DC/22/03628 Householder Application Installation of 90 no. freestanding, ballasted Photovoltaic Panels, for domestic usage only, and associated development works connecting the Photovoltaic panels to the main dwellinghouse @ Thurston Place, Beyton Road – noted that the dwelling is situated on a large plot and the panels would be screened from public views and have no impact on the setting of the house. The layout was noted to have no impact on the trees which were covered by TPOs. All agreed that the proposal be supported, aif.
- d) DC/22/03773 Erection of single storey side extension (following demolition of existing garage/workshop), single storey detached cart lodge and loft conversion @ 11 Heather Close it was agreed that whilst this was a large proposal it would replicate that which was already in existence on another property. The meeting agreed that it would support the application as presented, aif.
- e) DC/22/03856 Application for Works to Trees Subject to Tree Preservation Order MS52/A1 Reduce and thin 1 No. Canadian Maple by 1/3 @ 10 Blackbird Close – it was noted that the tree was not overly large but nicely shaped.
