- a) DC/24/01280 Householder Application Erection of pool pavilion, pergola and swimming pool @ Nether Hall, Church Hill, Thurston (part In the Parish of Pakenham) hidden from road, heritage and PROW had raised no objections. On the grounds that the materials and design were felt to be appropriate to its setting, council resolved to approve the application on the grounds that no detrimental harm would be suffered by the host dwelling nor on the PROW running through the property, aif.
- b) DC/24/01407 Full Planning Application Erection of 1 no. dwelling and garage; and associated landscaping @ Harveys Garden Plants, Great Green development was sympathetic to its surroundings, noted the variations that had come forward and the previous appeal. Further consideration of the planning which now considers more of the site as per some of the positive aspects of the appeal. Needed a comprehensive application for the surrounding land to bring forth the proposal and to take forward. Noted that it was outside of the settlement boundary however Great Green could be considered as being in a hamlet outside of the curtilage of Thurston. The most recent Inspector's appeal refusal decision was noted on the grounds that there would be harm to the character and appearance of the surroundings although a different comprehensive proposal for the remaining site might be viewed differently. Pre-consultation advice with MSDC appeared to be positive, and it was agreed that this would formalise the process and bring about the reutilising of the site in a sensitive manner. On the grounds that this would tidy up the site and allow for proper landscaping to come forward, the council resolved to support this application as the principle of development had on balance, be deemed to be acceptable, aif.

- d) DC/24/01463 Full Planning Application Erection of 1No self-build dwelling, new vehicular access including landscaping @ land north-east of Navarac, Great Green will they consolidate into one? Will a revised application be submitted as this one overlaps with two others under application for this site? Overlaps access and cuts off the corner of two of the properties. - e) DC/24/00691 Planning Application Change of use of land to garden curtilage for installation of a non-permanent timber framed guest pod with associated decking @ The Old Stables, Barton Road it was resolved that the council would support this application on the grounds that there will be no detrimental impact on the host dwelling, nor the amenities enjoyed by surrounding properties, aif.
