

THURSTON PARISH COUNCIL

COMMUNITY INFRASTRUCTURE LEVY (CIL)

Report for Thurston Parish Council 01.04.2019 to 31.03.2020

The Community Infrastructure Levy (CIL) is a planning charge, introduced by the Planning Act 2008 as a tool for local authorities to help deliver infrastructure to support the development of the local area.

Thurston Parish Council currently receives 15% of any Community Infrastructure Levy contributions paid over to Mid Suffolk District Council.

A local authority must prepare a report for any financial year in which it receives CIL 'funding'. A local council receives 15% (or 25% if it has a Neighbourhood Plan) of CIL receipts for its area and must use CIL receipts passed to it for a) the provision, improvement, replacement, operation or maintenance of infrastructure; or b) anything else that is concerned with addressing the demands that development places on an area.

This report should be published by the local council on its website and a copy submitted to the charging authority from which it received the CIL receipts, no later than 31st December following the reported year.
