

Under the Local Transparency Code of 2015, local authorities with gross annual income or expenditure exceeding £200,000 must publish quarterly data which includes all expenditure exceeding £500; government procurement card transactions and procurement information for details of every invitation to tender for contracts to provide goods or invitation to tender for contracts to provide goods or services with a value that exceeds £5,000.

Whilst Thurston Parish Council is not subject to the Local Government Transparency Code 2015 it has decided, in light of its commitment to openness and transparency, to make public details of spending on all goods and services that fall above a £500 threshold available for the public to view.

### Expenditure exceeding £500

Guidance issued by the Local Government Association states that this includes items of expenditure such as: individual invoices; grant payments; expense payments; payments for goods and services; grants; grant in aid; rent; credit notes over £500 and transactions with other public bodies.
