<sup>1</sup> It is unlikely that such an accident in the playground will initiate this process.

### 3. REPORTING PROCESS

As soon as an incident is reported to a Parish Councillor or council employee the nominated officer for reporting will initiate the accident reporting and investigation process.

All Council officers should be prepared to carry out this duty should the need arise. The Parish Clerk is to be informed as soon as practicable and shall inform all other members of the council no later than the council meeting following the incident.

### 4. ACCIDENT REPORTING AND RECORDING

An Incident/Accident report is required in the following circumstances:

- a) when an employee experiences any injury, however slight, whilst inspecting or maintaining the facilities of the council.
- b) when a user of the facilities provided by the Council, experiences any injury, however slight.

Three types of records are to be made.
